- Housing Opportunities for Persons With AIDS (HOPWA)
- Emergency Solutions Grants (ESG)

The grants provide funding to eligible projects sponsored by public agencies, developers, for-profit or not-for-profit organizations. All RFPs will be discussed at a **Mandatory Orientation and Technical Assistance Session** on **Tuesday, October 30, 2018**. Attendance is **required** for all that apply for funding. The City of Jersey City is scheduled to receive approximately \$5,034,144 in CDBG funding, \$1,354,363 in HOME funding, \$457,848 in ESG funding and \$2,420,486 in HOPWA funding for the 2019 program year. We encourage organizations who provide quantifiable benefits to the low and moderate-income population to apply. The funding is provided through the United States Department of Housing and Urban Development (HUD). Since the funding source is limited, this is a competitive application process. The review criteria and eligibility requirements are noted in the RFPs. The City of Jersey City HUD Entitlement Program goals are consistent with its adopted 2015–2019 Five-Year Consolidated Plan as well as the National Objectives defined by HUD.
